

## HHS NTI Student Expectations for Goole Meets with Teachers

1. Student code of conduct should be followed for all video content. This includes school appropriate clothing, language, and presentation expectations.
2. Student Acceptable Use Policy should be followed while participating in any online communication with teachers.
3. Students will minimize background distractions as much as possible.
4. All Google Meets must occur between the hours of 9a.m. and 3p.m.
5. Students will only be permitted to use their school google accounts to join a teacher's Google Meet.
6. If these expectations are not being met, the teacher will end the student's Googe Meet session and contact the parent as to the reason why.
