The Shelly Duncan Memorial KINDNESS Scholarship

“Three things in human life are important: the first is to be kind; the second is to be kind; and the third is to be kind.” – Henry James

While many graduating senior continuing education scholarships are for high performance academically or athletically, this scholarship is different. This Kindness Scholarship will be given to an individual who exhibits characteristics of KINDNESS. Being kind in this world will take a person far. We want to reward students for showing this special and important characteristic.

Students do not apply for this scholarship. It is actually the opposite. The student has to be nominated for this scholarship by community members, teachers, administrators, mentors and/or peers.

Requirements:

- 1. Open to ALL Holmes High School Graduating Seniors**
- 2. At least one (1) Personal Letter of Reference, documenting the student’s exceptional character and acts or behaviors in KINDNESS.**

Letters must be received by April 3, 2020

Help us to encourage the next generation to spread KINDNESS. To live their lives with a positive outlook, a sense of community and a desire to give to others.

The public is encouraged to donate to this fund if they wish, but more importantly we need help promoting this new and different scholarship in our community.

*“Treat everyone with politeness and kindness,
not because they are nice, but because you are.” – Roy T. Bennett, The Light in the Heart*
