

Sixth District Elementary Presents

Passport to Covington

Family Night

For grades K-3

All aboard! Come along as we travel through the City of Covington’s Austinburg/Eastside neighborhood! Have you noticed to circle signage on various poles throughout Covington?? Those signs are a part of the Mayors passport reading initiative. Come join us as we kick off the program at Sixth District Elementary. Each family will receive a City Of Covington passport book to tour the neighborhood. You will need to fill in the blanks of the passport book once you find the correct sign. Once you complete and return the passports back to the table for verification you will be handed a goody bag from the city of Covington.

Other guest and activities at the event include:

- Kenton County Public Library (you will have the opportunity to sign up for a library card and learn about their award winning programming)
- Book giveaways
- Treat giveaways
- Footsteps to Brilliance demo (reading program)
- Learn about the Mayors reading challenge
- Reading Nook raffle at 6:00

When: October 28, 2021

Time: 5:00-6:30
