POLICY STATEMENT

Each year the principal will appoint an ad hoc committee(s) to review the School Safety Plan, the Extended School Services program, and the School Improvement Plan and prepare a report(s) for the school council about how student support services will be coordinated in the school for the following school year. Included in this report will be any recommendations for changes or updates to the programs and plans that are involved with providing student support. The council will consider these recommendations and may discuss additional options for the school. The council will approve any changes or updates by majority vote or consensus.

This school council policy shall also be consistent with the applicable indicators from the Standards and Indicators for School Improvement.
