

K-2 Wildcat Behavior Plan

Dear Parents,

Below is an explanation of our Wildcat Behavior Plan at Glenn O. Swing. Please do not hesitate to call or talk to your child's teacher about this plan. All of our students start on 'D' at the beginning of the day. If they stay on 'D' that means they did what is expected of them during the day. Students can move up the chart toward 'W' if they are having a super day or they can move down the chart toward 'T' if they are having a difficult day. The beauty of our system is if the students have a bumpy start to their day they can always move back up the chart in a positive direction. Below is a short description of each letter.

W	Your child had a Wonderful, Wondrous, Wow of a Day! They will be receiving a 'W' sticker from their teacher to celebrate this incredible accomplishment.
I	Your child had just an Incredibly Great Day.
L	Your child had a Great Day
D	Your child had a great day. They did what was expected of them.
C	Your child had some difficulty today with behavior.
A	Your child had some difficulty today with behavior. They had to move 2 clips or more down today. Please discuss what they can do to have a better day tomorrow.
T	Your child had a difficult, difficult day today. Please talk to them about what they can do to have a much better day tomorrow. You may have heard from their teacher or have a note in the planner today.
